

The Island Allure Of Our Legendary Great Abaco Hotel Resort

Among Abaco hotels, no destination captures the authentic Out Island lifestyle like Abaco Beach Resort at Boat Harbour. Great Abaco Island is the second largest island in the Bahamas archipelago, lying just north of the Tropic of Cancer approximately 165 miles east of West Palm Beach Florida.

Serviced by major and regional air carriers out of Miami, Ft. Lauderdale, West Palm Beach, Orlando, and St. Augustine, Abaco is a comfortable and enjoyable 50-minute flight. Abaco's [Marsh Harbour Airport](#) is only a short 10 minutes from our Abaco island hotel.

And yet it is worlds apart...a pristine tropical paradise where pink sand beaches and weathered bluffs line the windward coasts, while mangrove creeks and bonefish flats extend for miles leeward. Offshore cays and barrier reefs fringe the northeast coast, creating a sheltered waterway known as the Sea of Abaco, one of the world's finest cruising and fishing grounds.

Today, Abaco is a magnet for visiting yachtsmen, divers, and other modern-day adventurers who have a love and affinity for [boating](#) , [island hopping from cay to cay](#) , and the authentic, laid back Out Island lifestyle.
